Subject: Request to Reduce Notice Period – Last Working Day on or Before 30th April 2025

Hi Harvinder,

I hope you're doing well.

I wanted to inform you that I submitted my resignation yesterday as I have accepted an offer from another organization. As per the Oracle portal, my last working day is currently reflecting as 12th June 2025.

I would like to kindly request if my notice period can be reduced, allowing my last working day to be on or before 30th April 2025. This would greatly support my transition and help me join the new organization as per their joining schedule.

I truly appreciate your support and consideration.

Thanks,

Gokul.
